"ELECTION HIGHLIGHTS"

SENIORS...Bill O'Gara of the Veteran's Party says:... "As you have all seen, we of the Veteran's Party have made much of our accomplishments of the previous year, yet we are not standing on that record alone. We have posted our record to show what we are capable of doing and, with your support, what we will continue to do this year.

In the Vet's Party you have a group of students anxious to serve you, willing to work for you because we enjoy it.

Five members of the Rump Council are also members of the Vet's Party and as you have seen, we are already working for you. (In that it it was through our efforts that the athletic field was made available for on-the-campus parking.

I assure you that we have tried our best to do a good job and, if given the chance we will continue to do so through our Senior year at P.J.C."

In an interview with Frank Stein of the "Students' Party" Frank said.... "It is the intention of the Students' Party to live up to their slogan of "Sincerity Will Serve Best." The Party will endeavor to promulgate a program throughout the year that will satisfy the whole student body. The students them-selves will be the deciding factor in the formation of policies that we will promote if elected.

On the question of dances, our attention will be directed to alternating dance dates between Fridays and Saturday evening for the convenience of the students.

All of the clubs at PJC will be given our unbiased attention and we are going to try to work something out that will make it easier for students to attend the meetings of these clubs.

We all know that PJC, scholastically is one of the best in the country. Let's also make it one of the best, Socially! Remember ... education is not limited to the classroom but its the participation in extra-curricular activities that, combined with classroom lore, gives for a better rounded education and that's the aim of the "Students' Party." We will plan these extra-curricular activities so that they will be interesting enough to enable the boys here at PJC to get that extra-something out of college. Thank You

FRESHMEN ELECTIONS...Candidate for Frosh President, Chet Keefe, says..."The Stag Party will be a strong representative link between the student body and the faculty. We will strive to further social activities such as dances entertainment and promote the open house night here at the campus.

One of the big things we will work for is getting personnel lockers for the students so they can leave their extra books, lunches and other belongings in them, and not have to tote 'em for here to there..everyday. So there you have it.

Roy Leo, Rev. says, "Only 10 minutes every Friday is all that's needed for admission to Chapel Service in room 302. See you Friday in ROOM 302 at 10:00 for the service....Thank You....

FROSH ELECTIONS CONTINUED.....

Paul Caron Frosh candidate for the President of the Frosh Class heads the "Freshmen Improvement Party...Paul says: "The Freshmen Improvement Party was formed with the idea of being of better service to the Freshmen Class. Veterans and non-Vets are included on this ticket.. We hope, with this combination, to be better able to serve and understand the Frosh Class and their problems, both Veterans and Non-Veterans alike...

We are not going to make a lot of promises we cannot keep, but we intend to do a very serious job in improving campus life at P.J.C. and making it a better all-around place to go to school.

"BACK THE MEN WHO WILL BACK YOU is our motto..."

The Pre-College Elections are just about sewed-up and their are three fellows running for Pre-Coll Reps....and that's all...To bad we would have liked to see a little competition in the Pre-Coll elections.....Maybe the twist will turn before the 27th of October which ,by the way is the day for casting your vote for the guy or guys you think qualified to serve you...

VOTE.....VOTE THE 27th.....VOTE.....VOTE THE 27th.....VOTE...

NOTE THIS.....SOS.....NOTE THIS SOS.....BO.....BS.....ETC.....END.....

"BRAVO; BRAVO, ENCORE, ENCORE, ETC."
